Be Healthy, safe and active	I sometimes make healthy choices with what I eat and how I use my social times. I sometimes make positive choices about my health such as wearing my face mask. I have used the mile track in lesson; I set and achieved a target of 5 laps.	I mostly make healthy choices with what I eat and how I use my social times. I mostly make positive choices about my health such as wearing my face mask and sanitizing my hands. I have used the mile track in lesson; I encouraged and motivated others to do their best.	I always try my best to make healthy choices in all aspects of my school life. I always try to make positive choices regarding my health such as wearing my face mask and washing and sanitizing my hands regularly. I have used the mile track in lesson and ensure I am active for at least 60 minutes a day.
Be a reader and extend your vocabulary	I have read all 3 books provided by school. I have recorded the new vocabulary I have learnt.	I have used the LRC online system to borrow and read different books. I use new vocabulary in my writing.	I regularly read a range of different books (often using books from the online LRC system). I seek out new vocabulary to use in my writing and can work out meanings based on prefixes and suffixes.
Be engaged in your community	I have volunteered to raise money for charity. I show tolerance and respect of others.	I have completed a sponsored walk/run/challenge for charity. I am open-minded and promote tolerance and respect.	I have put myself forward for a position of leadership within the school and promoted charity work and fundraising. I actively encourage tolerance and respect and I promote this in school and in the community.
Be reflective and forward thinking	I am aware of how to access work on the school VLE (FROG) and Teams. I have a system for organising my time and recording my homework and use it sometimes.	I can access work on the school VLE (FROG) and Teams and I have learnt a new digital skill. I have a system for organising my time and recording my homework and use it most of the time.	I am able to access my work digitally both in and outside of lessons and have learnt new digital skills. I have a system to record all homework and important information and always use it.
Be resilient and self-responsible	I take pride in my work and complete homework to a good standard. I engage with digital learning. I have reviewed my progress and completed my SLAT review.	I take pride in my work and complete homework thoroughly. I engage with digital learning and my online lesson attendance is very good I have reviewed my progress and completed my SLAT review and discussed my progress with parent/carer.	I take pride in my work, learn from my mistakes and complete homework thoroughly. I engage with digital learning and my online lesson attendance is excellent. I have reviewed my progress and completed my SLAT review and actively engaged in a review of my progress with my parent/carer.
Be caring to everyone and your environment	I show kindness consideration and respect to other people. I ensure put my own litter in the bin.	I work well with others and am considerate to their needs. I return my tray to the correct place in the dining room.	I help others when they need help. I encourage my friends to pick up their litter and return their trays in the dining room.
